- 1. Search for MBAG BYOD – Intune Service and add it to shopping cart in IT Shop.

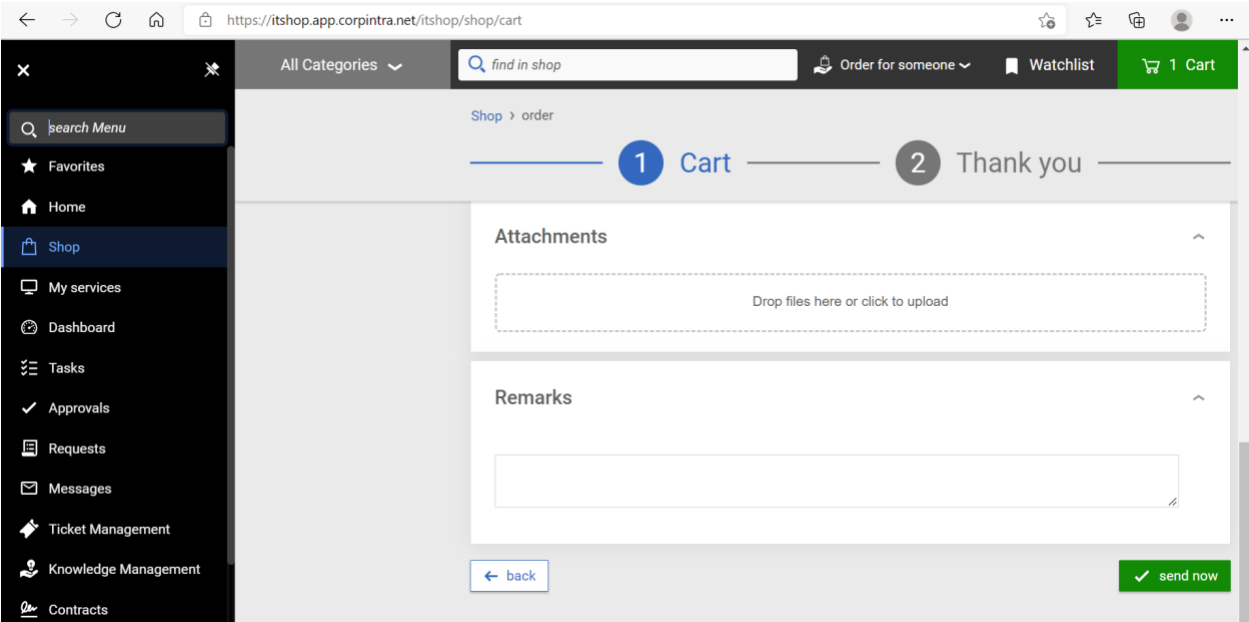

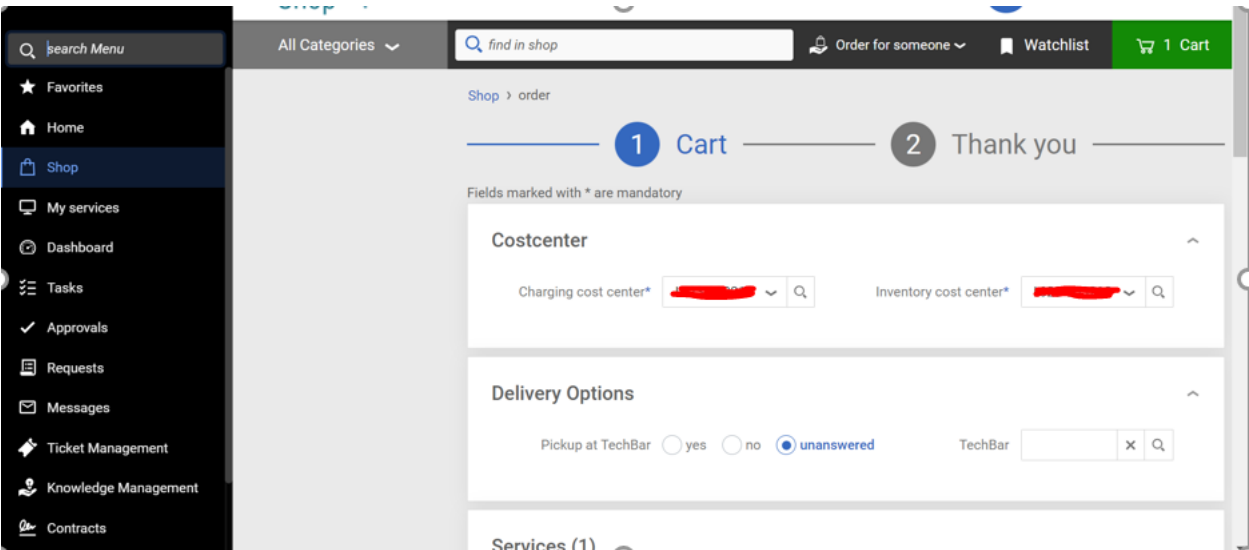

[ITShop - MBAG BYOD Intune Service](#)

- 2. Select Mobile OS as Android.

3. Check the details and scroll to the end to “send now”.

4. Once requested, the request needs to be approved.
5. Upon approval will receive a mail like below.

Mobile Device Management: InTune Enrollment Instructions

o ITShop_no_reply@daimler.com <ITShop_no_reply@daimler.com>

To: [Redacted]

Dear [Redacted]

The order of your InTune MDM account has been processed. Your device is now ready for enrollment in to InTune.

Please follow the steps from the instruction below to get your device enrolled.

BYOD InTune Enrollment Instructions can be found here:

If you are trying to enroll an iOS device, please follow [iOS BYOD Registration](#)

If you are trying to enroll an Android device, please follow the [Android BYOD Registration](#)

Kind regards!

IT Shop (India) by Daimler

6. Now install "Intune Company Portal" from Play Store in your own Android device.

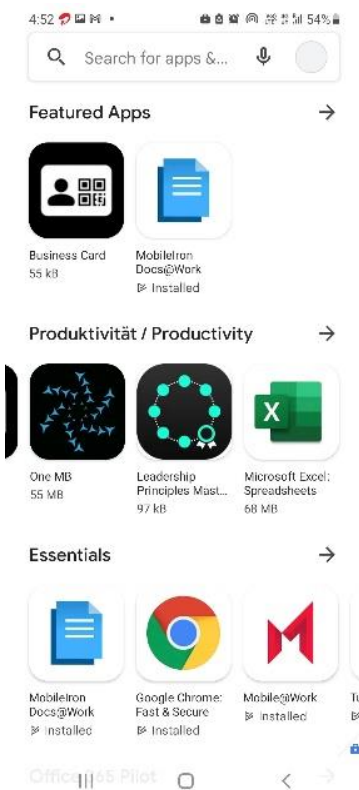

Please refer the given link for details:

Android Installation Guide

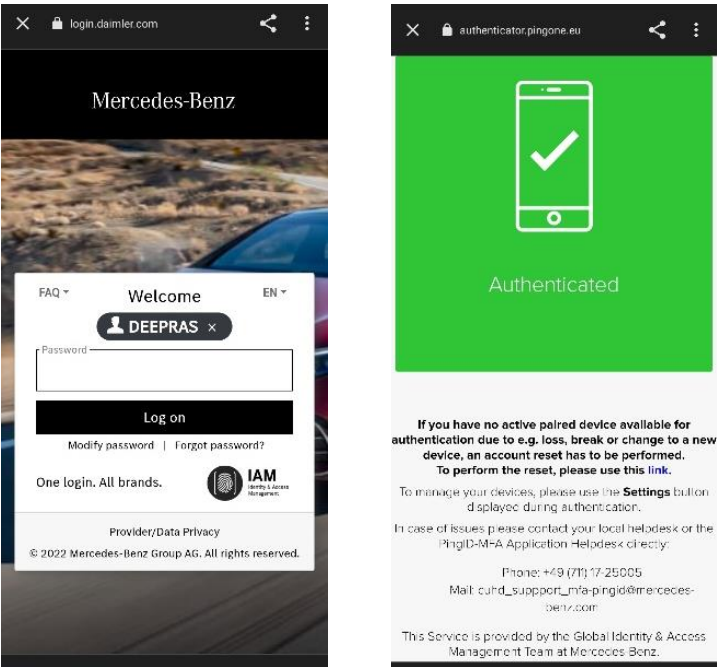

7. After completing the setup, you will be able to see **Play Store for work** in your android device.

8. Open Play Store for work and find OneMB under Productivity

9. Post installation, open OneMB, it will redirect you to authentication.

10. You are now all set to use OneMB mobile app.
